Assignment - 1

Q-: Draw a histogram based on
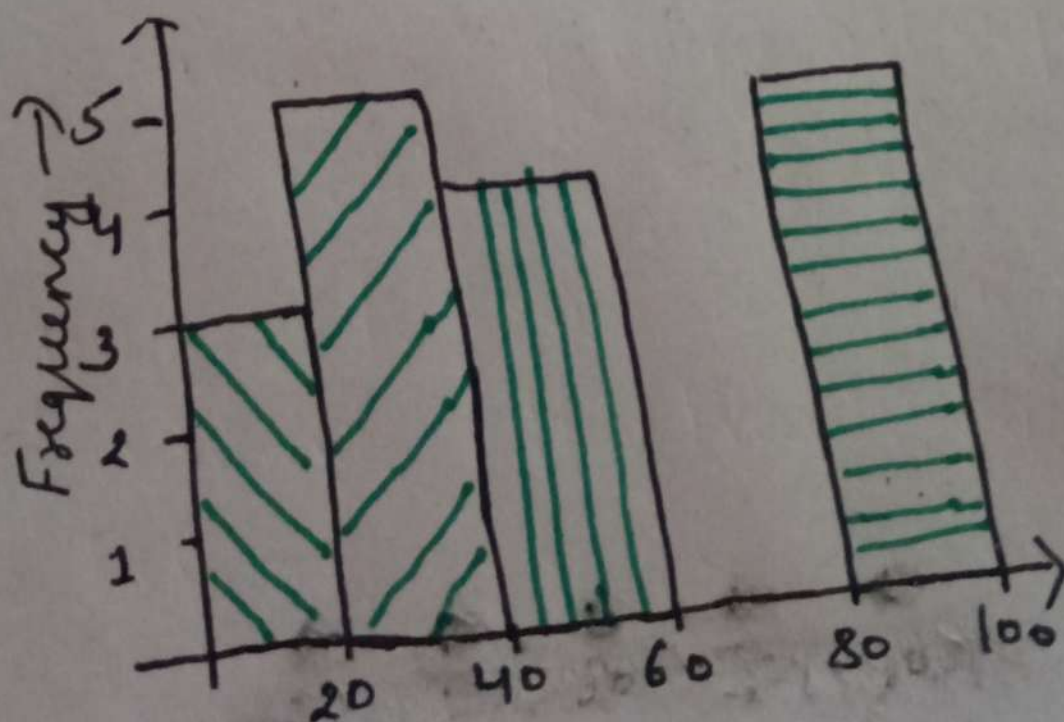

$$X = \{10, 13, 18, \overset{22}{2}7, 32, \overset{38}{40}, 45, 51,$$
$$56, 57, 88, 90, 92, 94, 99 \}$$

with Bin = 5 & Bin size = 20.

$$\Rightarrow X = \{10, 13, 18, \overset{22}{2}7, 32, 38, 40, 45, 51, 56\},$$
$$57, 88, 90, 92, 94, 99 \}$$

Bin (groups) = 5
Bin size (Range of each group) = 20

← Histogram of above distribution
